Performs tasks that involve exposure or potential exposure to blood, body fluids or body tissue, or other potentially contaminated materials.

SUMMARY:

The purpose of this position is to assist the Staff Physician, Clinic Nurse, Phlebotomist, and Pharmacist in caring, examining, and treating HIV/AIDS patients under direction from the Medical Director.

SUPERVISION RECEIVED/EXERCISED:

Works under the general direction of the Medical Director.

ESSENTIAL DUTIES & RESPONSIBILITIES:

- Assisting the doctor in the management of patients during the examination or treatment encounter.
- Maintains pharmacy log by entering medications dispensed and filing prescription per protocol.
- Maintains documentation of medication inventory by entering quantities received and amounts dispensed according to established protocol.
- Maintains patient's charts in current status by entering all pertinent orders, reports, and progress notes.
- Assists in the preparation of patient charts prior to clinic appointments.
- Assist in maintaining adequate medical supplies and pharmacy compiling a list of shortages for the purpose of controlling inventory and ordering supplies.
- Assist in ordering medical and pharmacy supplies.
- Assist Pharmacist in his duties in Class D Pharmacy.
- Assist in the ordering and distribution of medicine from DSHS medication program.
- Assist in the collection and processing of blood fluid specimens as per physician orders.
- Other duties as assigned

MINIMUM QUALIFICATIONS – EDUCATION & EXPERIENCE:

Must be licensed as a Registered Medical Assistant by the State of Texas or in another state that is recognized by reciprocity.

Must maintain a current and active medical assistant license.

An ideal candidate would have twelve months of related experience and/or training; or equivalent combination of education and experience in HIV/AIDS programming services.

MINIMUM QUALIFICATIONS – KNOWLEDGE, SKILLS & ABILITIES:

A responsible and mature individual with a passion for medicine. Working knowledge of Microsoft Office, specifically Outlook, Word & Excel.

Skill in operating the listed tools and equipment.

Ability to speak fluent English; ability to handwrite legibly; ability to read and interpret documents such as safety rules, operating and maintenance instructions and procedure manuals; ability to write routine reports and correspondence; ability to speak effectively before groups of customers or employees of organization; ability to add, subtract, multiply, and divide, in all units of measure, using whole numbers, common fractions, and decimals; ability to compute rate, ratio, and percent and to draw and interpret bar graphs; ability to apply common sense understanding to carry out instructions furnished in written, oral, or diagram form. Ability to deal with problems involving several concrete variables in standardized situations.

SPECIAL REQUIREMENTS/QUALIFICATIONS:

State of Texas Class "C" Driver's License. Employee must maintain all certifications, licenses and/or registrations consistent with Westbrook Clinic policy and Texas State Law.

Ability to communicate fluently in Spanish.

Flexibility to travel, if needed.

EQUIPMENT USED:

Working knowledge of thermometers, EKG machine, Glucometer, Defibrillator, and blood pressure machine. Requires frequent use of personal computer, including word processing and spreadsheet programs; telephone, copy machine, fax machine, and automotive vehicle.

PHYSICAL DEMANDS:

A constitution to work under the rigors of delivering medical care. While performing the duties of this job, the employee is frequently required to stand, walk, and follow a physician for extended periods of time as well as sit and talk or listen. The employee is occasionally required to use hands to finger, handle, or feel objects, tools, or controls; and reach with hands and arms. The employee must occasionally lift and/or move up to 35 pounds. Specific vision abilities required by this job include close vision and the ability to adjust focus.

WORKING CONDITIONS:

Work is predominantly performed in an office setting where the noise level is usually quiet.

This job description should not be interpreted as all-inclusive or as an employment agreement between the employer and employee. It is intended to identify the essential functions and requirements of this job and is subject to change as the needs of the employer and requirements of the job change. Incumbents may be required to perform job-related responsibilities and tasks other than those stated in this specification. Any essential functions of this position will be evaluated as necessary should an incumbent/applicant be unable to perform the function or requirement due to a disability as defined by the Americans with Disabilities Act (ADA). Reasonable accommodation for the specific disability will be made for the incumbent/applicant when possible.

Valley AIDS Council d/b/a Westbrook Clinic is an Equal Opportunity/Affirmative Action employer, welcomes individuals from diverse backgrounds and perspectives, and believes that an inclusive and respectful environment enriches the Agency community and the employment experience of its members. Valley AIDS Council d/b/a Westbrook Clinic prohibits discrimination against individuals on the basis of race, color, national origin, religion, sex, sexual orientation, disability, age, status as a veteran or special disabled veteran, gender identity or expression, genetic information, pregnancy, childbirth or related medical conditions and any other prohibited characteristic.
